

3D Fan

The measurements for this quilt are quite easy. Whatever size you cut the square for the fan blade, you will cut the same size for the each of the four squares that make up the block. Sooooo...cut a 4" square for the blades then you cut 4" squares for the background squares.

Cut 4 ... 4" squares of white on white
Cut 4 ... 4" squares of "HAPPY" print
of your choice!!!

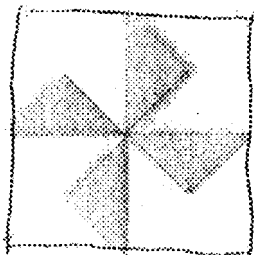

Once again fold where shown.

Finger press or press lightly with iron.

Pin or baste you fan blade on block as shown.

Connect your four blade blocks as shown to complete the fan block.
